A Letter From The Editor

To the students and faculty about to look at this book,

Yearbook Club has worked incredibly hard to make this book amazing. We have designed, redesigned, deleted, remade, and perfected every page in this book. As a senior, I wanted to make this book the best yearbook I have ever had a part in making at MHS. It is important to me, and the members of the Yearbook Club, that every student at MHS is able to look in this book and say "Hey that's me!" and I hope that everyone has one of those moments while looking through this book. Over the past five years, as a part of Yearbook, I have been able to watch my peers change and grow into the people they are today in a different way than most people can. I've taken students' pictures since eighth grade, I have watched friend groups change and clubs grow. I have seen people make the most incredible memories of their lives while acting on a stage or dancing at their last prom. These moments and our growth through one of the most important periods of our lives are the reasons why I have been so involved in Yearbook. I hope that somewhere in this book we have captured one of your moments. I hope your finest achievements and most memorable activities are represented in this. I hope you look back in this book and are able to remember the incredible teachers, your friends, and your moments. To the class of 2015, congratulations! Good luck wherever your future plans may take you, and remember, this book will always be here for you to look back and reminisce on your defining moments of achievement and character.

A Message From Your Officers

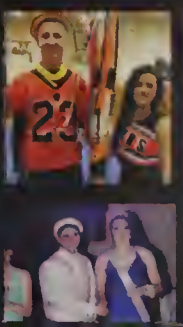

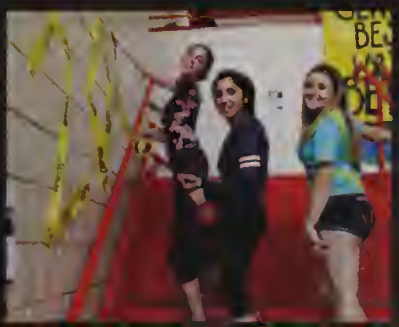

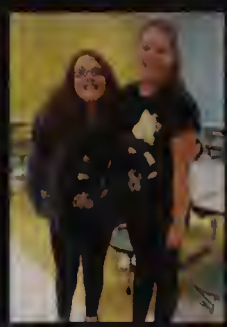

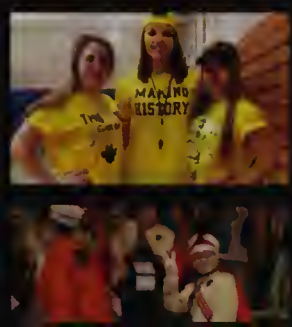

To the Class of 2015:

Ever since middle school, we have always looked at our student IDs and seen the year 2015 thinking, that year is so far away and our class would not graduate for decades. The time has finally come. We've had our last dances, last spirit rallies & spirit weeks, and our last Friday night football games. Many of us have played our final minutes on the field or on the court and our athletic high school career signaled to an end by the last sound of a horn. This being said, the Class of 2015 has made history. Whether it being the last eighth grade class, coming out victorious with winning Powder Puff two years in a row, and winning the spirit stick, our class has truly left a mark. Though for some, all of these great memories will fade away. Remember to never forget where you have come from and who you are, a member of the Class of 2015, the class with a bunch of yellow spirit. Most importantly don't forget that you are a Marlborough Panther. As you move on from high school remember to take every opportunity and give it your all. Our lives have only just begun! It truly has been amazing to work with you all and we are proud to have represented this amazing class. It brings joy to each one of our eyes to have watched this class grow and earn such a respectable reputation.

Best of luck class of 2015, we made it!

A Message From Your President

As the Class of 2018, President, I wanted to write about our incredible first year at Marlborough High School. Walking through the door as a Freshman was a pretty scary experience. All I could think about was how would our year go and what would we learn for our future years. As I walked in the building the first thing I saw was the Senior's hangout on the second floor railing and saying to myself, "That will be our class before we know it." I remember getting lost through the different Houses wondering which class was where. However, after a few weeks, it was like our class had been in the school for years and we were settling in nicely. I will never forget our first Spirit Week. We did an unbelievable job decorating our hall for the first time and many classmates came together to work as a team. Even though we didn't win the Spirit Stick, the participation with Fun Day selling Mc Donald's Cheeseburgers and Chicken Sandwiches, the Pep Rally (winning the Super Homeroom) and Homecoming will never be forgotten.

We have so many more future memories to create. I look forward to sharing them all with you.

Take the time to enjoy each year, because as I am told, it goes by so fast.
Let's leave a mark on MHS as the Best Class to go down in school history.

A huge thanks to AFS, the hosts, special guests, and all of the contestants for putting together an amazing show!

"Being a team is sticking together no matter what troubles you face and no matter what problems people throw at you.." Coming from a rough season the year before, we were determined to make this one our moment, all 18 of us. From captains practices, to practicing for leagues, regionals and states, there was nothing but dedication and hard work from all of you. We couldn't be any more proud of all we have accomplished together and what's yet to come. We truly couldn't have asked for a better team to have cherished this season with. **"..having eachothers backs and putting your team before yourself.."** Not many can say that they have a bond quite like we do. It's dysfunctional, full of drama queens, and awkward moments; Just like a real family. From laughing together, to crying together, to praying before we go full-out. There isn't anything that we wouldn't do for one another. No matter the outcome of the season, know that there isn't a different team we would have wanted to share it with. **"..We are a TEAM, no matter what the challenges we face, we will always be ONE."** A huge thank you to our amazing coaches Adrienne DeGeorge and Steph Richardson, without you both, this all wouldn't have been possible! "There's one guarentee, girl you'll always have me!" <3 We love you all!

Your Captains, Britt, Lex, Val, and Kailynn

*"Repeat after me, this is my moment.
I own this floor. I will hit.
And I will be a champion."*

Beat it, Sell it. Marlboro on top, Marlboro

Girls Cross Country

To our beautiful XC ladies, we are so incredibly proud of how far you've come this season. We are very impressed with the amount of commitment and willingness to work hard that came with the new team this year. Dickson, Erin, and Liz, we know a lot of responsibility was put on you guys this season, but how well you handled the team shows that you guys are ready to be captains. To the freshmen, you guys are amazing! We hope you loved this year and are ready to lead the team next season. To our upperclassmen, you guys have worked so hard and we are so excited to see you go far in the coming seasons. Ladies you are incredible and we couldn't have asked for a better Ohana.

~Love Captains Lauren & Jill

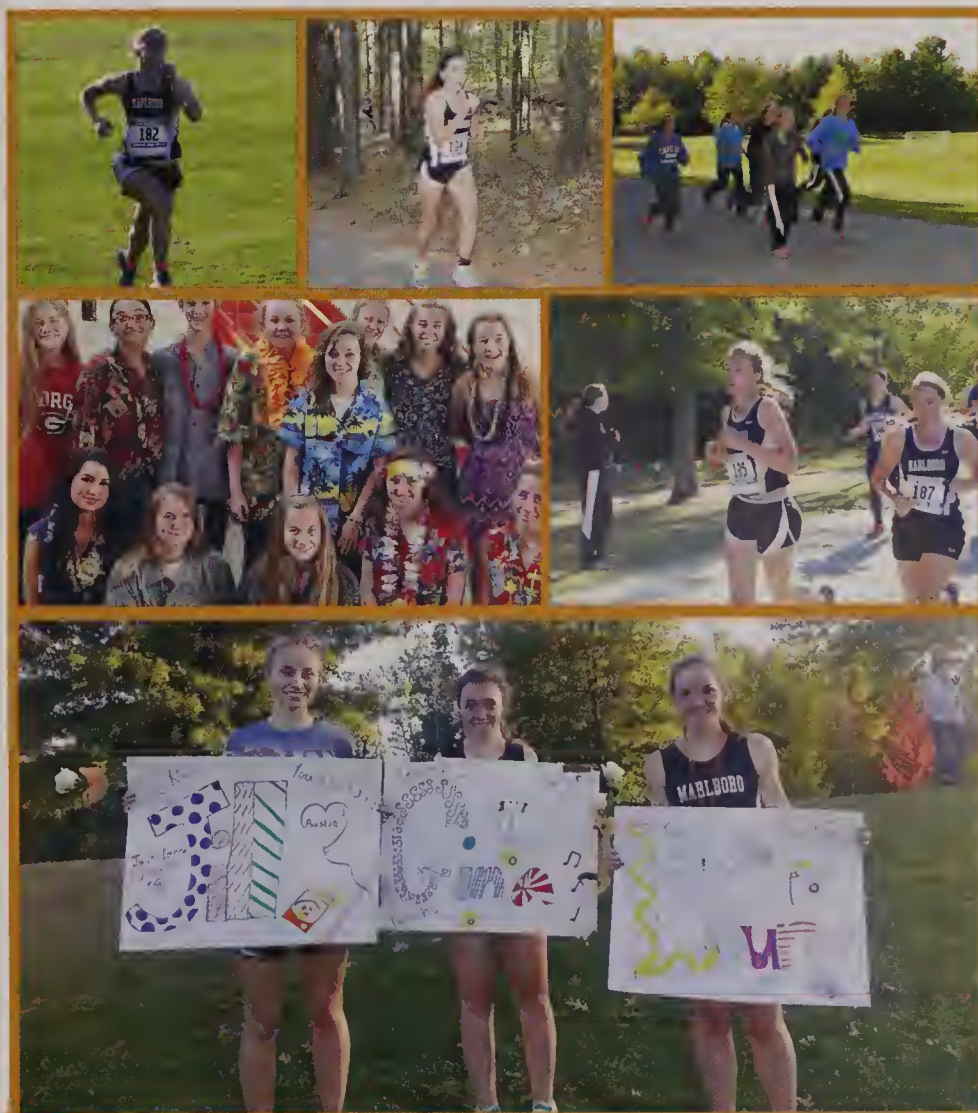

The Girls Cross Country team had an incredible season this year. Returning runners Jill Caiazzzi, Erin Guigno, Lauren Fay, Emily Dickson, Liz Smith, Anna Read, Ruth Schade, Gina Minnucci, and Meaghan McCabe had great seasons and led the team. Jillian and Erin were top 15 at the district level and went on to compete at the state level. Emily Dickson and Liz Smith showed incredible leadership skills and both knocked minutes off their times from previous seasons. The new freshmen surpassed all expectations for the team and have enormous potential for the coming seasons. All the girls improved on their times immensely and successfully competed at league and district levels, scoring 5th out of 20 teams at the district meet. Seniors Jill Caiazzzi, Lauren Fay, Gina Minnucci, and Ruth Schade will be greatly missed. These ladies have set themselves up to have an incredibly powerful team in upcoming seasons and they will be one of the top competitors in the league.

Field Hockey

Marlborough Field Hockey had a stellar season this year and we couldn't be more proud. Starting off short with numbers we were skeptical with what our season would bring. Knowing that we all had one goal of making playoffs. The team ended the regular season 12-4-2, this being the school's best record in field hockey history. As well as being the best record out of all the 2014 fall sports. The team qualified for districts a second time, being ranked number 10 in Central Mass and earning a 6th seed in playoffs. Highlights of the season were beating rival Westboro on their own turf 2-0, beating our town rival Hudson twice, pasta dinners, the annual pumpkin carving contest at Coach Ryder's house where the freshman was victorious, and the bus rides to all of our away games. For all of these great memories will last a life time with this special family. We would like to give our manager Pete Benjaminsen a huge thank you for coming to all of our games, especially the away game in Quabbin that was on his 18th birthday. We are glad you got to be a part of our field hockey family. We would also like to thank our coaches, Coach Ryder, Coach Chouinard, and Coach Rudzinsky. We couldn't have been so successful if we didn't have your support on and off the field. Seniors and underclassmen, it's been a great year and we couldn't thank you all enough.

The 2014 Marlborough Panthers football season has been distinguished by many battles of adversity and fights against staggering odds. Many of our athletes were thrust into positions of responsibility as well as pressure unknown to them in years past. Unfortunate and untimely injuries jumbled the roster and forced both players and coaches to make difficult decisions that would largely affect the manner in which the Panthers played. The team as a whole has worked tirelessly throughout the summer and into the fall to build a steel-clad group of men. Steadily improving over the course of the season, the gridiron game of football has once again transformed the lives of many young individuals, giving us experience that we will undoubtedly carry throughout our lives. With an appetite for action in our veins and a fire in our eyes we have courageously fought for the legacy of Panthers football, combating for every inch and never giving in along the way.

The Marlborough Panther Golf Team got back on track this year by posting a 10-7-1 regular season campaign to finish 2nd in the Midland Wachusett B League. The team rode strong performances from juniors Mike Sullivan and Nick Coppola while receiving important contributions from sophomores Paul Wydon and Chris Povall throughout the season. The team placed 2nd in the 18 hole league tournament at Townsend Ridge Country Club with Johnny Leatham shooting 71 to win the individual crown. The team then followed that with a 5th place finish in the division 1 Central Massachusetts District Tournament at Stow Acres Country where Jason Short shot 74 to win the individual crown, which qualified Short for the division 1 State Tournament at Springfield Country Club where he placed 4th with a 73.

Boys Soccer

This past season was a season filled with adversity for the team. Injuries plagued the season from the get go, including some of our key leaders and starters. We ended the season with a 6-11-1 record. Though the season went poor record-wise and we didn't make the tournament, the comradery on our team was strong. No matter what others thought, we played with heart the entire season, and we admire that heart and effort more than anything as captains leaving this soccer program. Boys, work hard for us leaving the team. You owe it to us to make it to the tournament, and more importantly, you owe it to yourselves and Coach Bishop and Coach Hardy. Make us proud, make yourselves proud, and make this school proud.

Girls Soccer

Marlborough varsity soccer has been an experience for all this year. From changing almost everyone's positions, to having an almost whole new varsity squad, it has been one to remember. Although we were 5-12-1, it didn't show in our passion. All of us love the game and didn't put our heads down through it. This year has given us some unforgettable memories, like getting the cops called on us at a pasta dinner for singing HSM too loud. On behalf of the seniors, we wish all of the underclassmen the best of luck next season and to never forget that you'll always be our babies.

After five years of playing volleyball at MHS, it's finally time to say our bittersweet goodbye. Not just as your captains, or your friends, but as a family this truly breaks our hearts.

As time goes on, we will never forget the countless memories we have with each and every one of you. As your captains, we hope we made the same impact on you guys as you did for us. We will never forget this season, or more importantly any of you. Although we lost a few tough games and our season ended sooner than it should have, by no means does that take away from the memories we have created and will carry with us for the rest of our lives.

We hope that next year you guys keep your hopes up, shabooya's on point, and that you guys remain a family.

Thank you for a remarkable season.

MHS gymnastics had a fantastic season with a team made up of members from Marlboro, Tahanto, and Nashoba. This season was filled with great achievements, earning 2nd place at leagues, competing at sectionals, and three girls competing at state individuals. We won 5 meets and had an all-around high score of 137.4. Captains, Katherine Wood and Emily Dickson, are so proud of how far this team has come. We are looking forward to next season and wishing the MHS gymnastics team the best of luck for many seasons to come!

The season started off with a BANG, with a buzzer beater to beat Burncoat we knew this year was going to be special. Our team was like nothing I have ever been a part of before. The bond we had was truly a family. We practiced every single day with the mentality that we have something to prove to Central Mass. Our motto and motivation every day was "You can either pay the pain of discipline or the pain or regret." This year we put MHS Ball back on the map, winning the first league championship in six years. Our team was the first ever Marlboro High School District Champions at Worcester Polytechnic Institute. We finished the season with a record of 21-4. Thank you to all the fans who made this year special we appreciate all the support. For all the seniors, Nelly Zompetti, Jake Monfalcone, Trevor Parinello, Joe Cappadona, and Leo Coehlo good luck next year. To the underclassmen keep grindin' and go get that State Title!

Girls Basketball

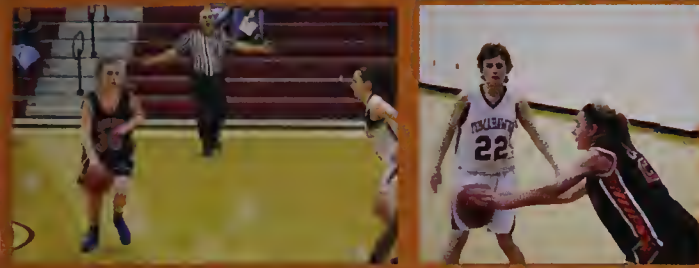

The basketball team had a year of development and growth. The numbers were small, but as a program we came together and supported one another. Though our record (6-12) doesn't display how hard we worked in practice, it shows some improvement from last year. With 8 people, the Varsity team held its own against other competitors, with many teams having double our roster size. Some highlights of the season were; getting a win on Senior night, defeating league rival Westboro and school rival Hudson twice and defeating a playoff bound North Middlesex. The team had many laughs throughout the season and we will miss all the savages. Make sure that you brush up on your one on one skills and always remember that orange brings out people's eyes. Your senior captains and Harold will miss you all!

Dance Team

To the boys that stay committed and the girls that stayed sassy, I am no writer, so bare with me. Yes, this was a building year fueled by the positive comments from our fans. We all bonded. It was a stepping stone to push us forward. We learned not to compare ourselves to another team, or to anyone besides us. It takes courage to act, to start, to re-start. It takes courage to keep each other moving forward. It didn't matter if you were an alternate, you were part of the team. You took the first step and are ready for your next move. Hard was our option. Hard is what got us and our team closer to where we want to be. Yes, there were moments when we wanted to give up. Yes, there were times when we didn't want to do it anymore but we fed off each other, when we were tired, exhausted, annoyed. We picked ourselves up, even when we messed-up. A team is family. We all wore the same uniform, titles were nothing. As your captain, I am grateful for all of you beautiful people...words can't fully explain how I feel. This is my last year in Marlborough High School, the last time to be nominated "most likely to be late", I truly love the new and old experiences I have gained from each one of you guys.

Boys Hockey

Going into the 2014-2015 season the Marlboro high hockey team knew that it was going to be a building year. With a record of 4-14-2 it was not what the team was expecting. With only three seniors and two juniors and the rest of the team being freshman and sophomores we knew we had a really young team. But the record doesn't show how hard we worked as a team every game and practice. The willingness to work to get better and improve every day on and off the ice. We were a big family this season with teammates always being there for one another. With wins coming against Hudson, twice against Auburn and a big win against Algonquin late in the season the panthers really made it worth it. Even though it wasn't the season we wanted it was definitely a season to be remembered. Thank you to all the seniors Eric Bastarache, Alec Baj, and Zach Nunez. Make it another year to remember next year boy's good luck.

Girls Hockey

This season, the girls' varsity ice hockey team, the Tomahawks, accomplished many things. Our record was 9-10-1 and we finished second in the league and made it to the first round of playoffs. Our team had one of the top five hardest schedules in the state playing top Division I teams. For the first time in team history, the T-Hawks were ranked number 10 in the state by Hockey Town Boston. Representing Marlborough, Nicole Coulombe led the team as a captain giving us motivation and keeping everything positive. Abby Chrisafideis doubled her amount of goals from last season. Kylie Navarro improved all around as a player and contributed to the JV team. Caleigh Sable was captain for JV and supported all the girls on and off the ice. Susan Rambridge, a new player to the sport gave 100% every day and improved all around. We look forward to coming back next season even stronger.

Boys Indoor Track

The Marlborough Boys Indoor Track team ended their winning season with a record of 4-2. While the Panthers beat Nashoba, Hudson, Quabbin, and Groton-Dunstable, they had losses to Westborough and North Middlesex. With both North Middlesex and Groton-Dunstable newly added to the league this year, there was much more competition in the league and many close, exciting meets. Although the team was fairly small in numbers, there were some stellar performances. Junior Sam Dias was the team's MVP and top high jumper in the district throughout the season, Sophomore Manny Teo qualified for the state meet in the shot and greatly improved throughout the season, and Freshman Brian Oram qualified for the state meet in two events and was the team's second leading point scorer. We lose two great seniors next year, Austin Turner and Javon Scarlett, who have been huge assets to the team throughout their indoor track careers; we thank them for their commitment and efforts and wish them the best of luck next year.

Girls Indoor Track

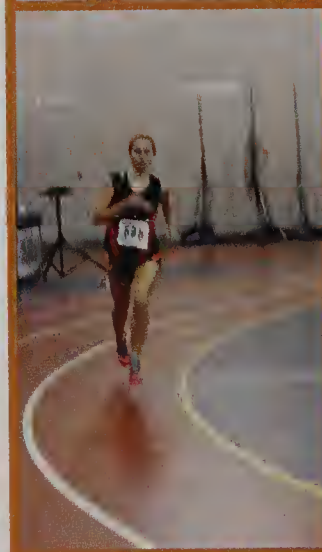

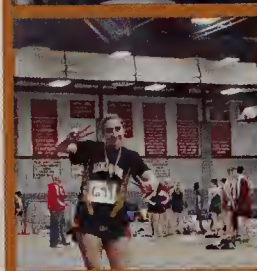

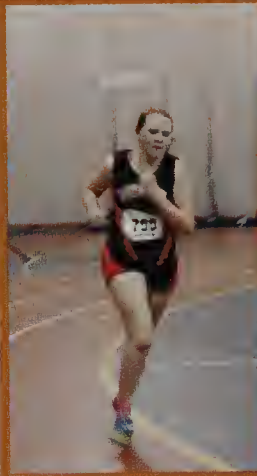

There are no words to describe how proud I am of everyone this season. We accomplished so many things as a team and as individuals.

We were league champs, second in the district, and many of us went on to perform at the state level. Our 4x400 relay team even made it to all-states this year. Everyone improved so much throughout the season and always gave 110% effort in every race. This year we weren't just a team, we were also a family and I wouldn't have wanted to share a league championship with any other girls. As some of you move on to college and the rest of you continue high school just remember these 3 things: don't talk to boys, always bring snacks, and always cheer your teammates on.

Love,
Ili

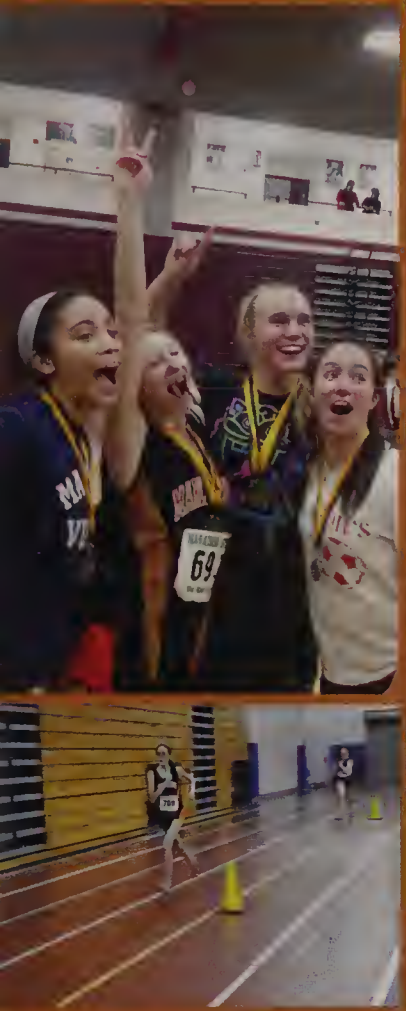

This season was very successful for the lady panthers, with Jill Caiazzzi and Iliana Weeks as captains. Entering the league meet with a 6-1 record, the team captured the League Champion title, led by the eight all-stars, Maddy Plante, 1st in high jump and 55m hurdles, Jill Caiazzzi and Erin Giugno, 1st and 2nd, respectively, in the mile and 1km, Michelle Gordon, 1st in the 300m, Cassandra Arsenault, 1st in the 55m, and the 4x400m team (Hannah Mackay, Iliana, Michelle, and Casey Sibole) 1st. All eight of these athletes were named league all-stars. The team had another strong showing at districts with the team coming in 2nd. Highlights included Jill placing 1st in the mile, the 4x400m team (Erin, Michelle, Casey, Jill) placing 1st, Michelle 2nd in the 300m, and Casey 2nd in the 600m. With the largest number of qualified athletes yet, the panthers headed to states where the District Champion 4x400m team placed first, breaking the school record. This allowed them to go on to All-States where Erin and Casey ran the 600m and Jill in the mile. The team will be saying goodbye to four seniors: Jazmin Murillo, Katie Godere, Jill Caiazzzi, and Shauna Butler. - Love Jill

Wrestling

The wrestling team took a big step forward this year with the addition of a number of talented underclassmen. Led by sectional champion, Wilson Ordonez (106 lb.) and sectional finalist, Noah Wilcox (113lb.) this year's freshman class was the strongest in years. Also competing on varsity as freshmen were Daryl Samoya (106 lb.), Daniel Hayward (120 lb.) and Evan Doherty (145 lb.). There were a few other standout first year grapplers who contributed to the team's victories all season. They were, senior Houssein Abdavies (120 lb.), Trevor Poor (132 lb.), JV Borges (220 lb.), Ryan Shaugnessy (152 lb.), and Christian Hernandez (195 lb.). The team was led by a few returners who came out strong this year for the Panthers, All State place winner Mike Phillips (182 lb.), sectional finalist, Charlie Wilcox (126 lb.), as well as sectional place winners, James Brescia (170 lb.) and Nate Stemple (160 lb.). Senior leadership was provided as well by Houssein Abdavies and Jason Charboneau. All but Brescia, Abdavies and Charboneau are returning next year. The future looks bright for the Panthers!
